Our Services

FIRE PLAN APPROVALS & DESIGNS

We design fire plans that integrate all necessary safety measures from the start, ensuring compliance with SANS 10400 and managing approvals with national regulations and local bylaws.

FIRE RATIONAL DESIGNS

Our solutions balance safety with functionality and aesthetics, tailored to meet your specific project goals.

EMERGENCY EVACUATION PLANS & PROTOCOL PROCEDURES

We develop detailed plans and procedures for safe building evacuation, including clear signage, assembly points, and full compliance with SANS 10400.

FIRE SIGNAGE & EQUIPMENT

We supply and install essential fire fighting equipment and signage, all compliant with SANS regulations.

SPRINKLER & DETECTION SYSTEMS

Our advanced systems offer optimal fire suppression and early detection, adhering to SANS 10139 and SANS 10287 standards.

FLAMMABLE LIQUIDS & GAS STORAGE HANDLING INSTALLATIONS

We ensure the safe, compliant storage and handling of hazardous materials with expertly designed and installed systems.
